

Jason PS

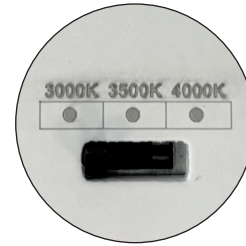

1450lm LED Track Head

Selectable CCT

Jason PS LED track heads include a Selectable CCT switch, allowing the end user to change the color temperature. Luminaires can be specified in three beam spreads and deliver up to 1450 lumens. Constructed of extruded and machined aluminum, the heat-sink and integrated driver housing provide a sleek and modern look, designed to quietly compliment any space.

FEATURES

- Over 75% energy savings when compared to incandescent
- Delivering up to 1450 lumens / 20W
- Triac or ELV dimming
- Spot, Narrow Flood or Flood beam spreads
- Field Selectable CCT (3000K / 3500K / 4000K)
- Available in black or white finish
- One or two circuit track capable
- Available in standard H-Style, J-Style or L-Style adapters
- 5-Year limited warranty
- Can be used to comply with 2019 Title 24 Part 6 high efficacy requirements
- cULus Listed
