**NORA®**
LIGHTING

24V COB TAPE LIGHT
High Output • 450 lumens per foot

COB LED Tape light creates an uniform seamless line of light, without the need for additional diffused covers or accessories. Producing over 450 lumens per foot in dedicated color temperatures, tape light is a perfect solution for low clearance or reflective surfaces to eliminate all glare or dotting.

16.4' or 100' Roll
Pre-installed adhesive and mounting clips included

Power Cord
12" included with each roll

FEATURES

- 24V system - requires class 2 LED driver
