

# CENTER BASKET LED TROFFERS

Selectable Lumens (Up to 6350lm)  
Selectable CCT  
(30K/35K/40K/50K/65K)

LED troffers provide both functionality and efficiency with two integrated, selectable switches. Selectable lumens allow for a variety of mounting heights, and Selectable CCT adjusts the color temperature. A smooth matte white finish provides glare-reducing general lighting for commercial and industrial applications. The luminaires are suitable for office, school, retail, hospital, and hospitality applications.

## FEATURES

- Two Sizes and Outputs (2' x 2' or 2' x 4')
- Selectable Lumen switch changes the wattage (varies per size)
- Selectable Color Temperature switch changes the CCT (3000K / 3500K / 4000K / 5000K / 6500K)
- Universal input (120-277V) and 0-10V dimming down to 10%
- Optional remote emergency
- Ideal for office, school, retail, hospital, and hospitality applications
- cETLus Listed for Damp Locations
- 5-Year Limited Warranty
- DLC Listed

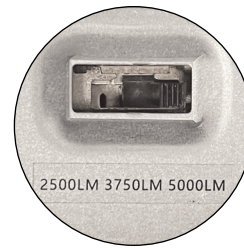

### TROFFERS WITH SELECTABLE LUMENS & CCT
