

ILENE SERIES

LED Mini Cylinder

The iLENE Cylinder Pendants or Surface mount feature three sizes and outputs. Using Cree COB technology, the iLENE produces 90+ CRI of clean crisp light. The optics are deep set for excellent visual comfort. Each iLENE includes three field changeable optics for spot, narrow flood and flood beam spreads. The canopy mounted driver allows for cool operation and optional driver and dimming options. Specify 2700K, 3000K or 4000K kelvin temperature to meet your application needs. The die-cast aluminum cylinders are available in Black, Silver and White finishes.

Three Sizes - 2", 3" and 5"
1000 to 2000 lumens

FEATURES

- Architectural die-cast aluminum construction and style
- Pendant and Surface Mount
- Cree® LED COB or Comfort Dim Technology
- Deep set optics
- 2700K, 3000K or 4000K @90+ CRI
- Dimmable (Triac, ELV or 0-10V)
- 120V and 277V
- Black, Silver and White Finishes (Reflectors match finish)
- Three Sizes and outputs
 - 2" - 1000lm / 23W
 - 3" - 1500lm / 25W
 - 5" - 2000lm / 35W
- Spot, Narrow Flood and Flood field changeable optics
- 8' Field adjustable cable
- cULus Listed for Damp Location
- ENERGY STAR® certified
- 5-Year Limited Warranty
