

L-Line LED Linear

Surface or Pendant Mounted

2', 4' & 8' • 1050lm per foot

L-Line series offers a clean and modern appearance with a sleek extruded aluminum housing. Symmetrical light distribution will evenly illuminate surfaces with a diffused lens, making the L-Line ideal for commercial, retail, healthcare and education applications. Available in surface or pendant mounting options. Series can be connected with seamless luminous L, X or T connectors.

FEATURES

- 1050 lumens per foot
- 2' to 8' Linear, "X", "T" or "L" Connectors
- 120-277V input and 0-10V dimming
- Integral connectors allow connections up to 80'
- 3000K, 3500K or 4000K at 80 CRI
- Surface mount or pendant kits available
- cULus Listed for Damp Locations
