

OPAL SERIES

Surface Mounted or Retrofit

Opal LED luminaires are designed to surface mount over a junction box or retrofit with an accessory. Luminaires produce an even illumination with no diode image, from bright to dim. The low profile units are wet location rated and produce up to 2150 lumens at various color temperatures and finishes. Opal is an excellent energy efficient lighting solution for laundry rooms, closets, pantries, hallways and showers in residential and commercial retrofit or new construction applications.
