

# MARQUISE III

## Commercial & Residential Specification Grade Downlights 4", 5" & 6" apertures / Up to 2500lm

Marquise III high lumen LED downlights are available in 4", 5" and 6" trim options. The Marquise III utilizes Signify® COB LED technology for better optic control with three specified beam spreads. Beam spreads focus the light down to the work plane from high ceiling applications. Marquise III luminaires are available in new construction, remodel, sloped and retrofit configurations.
