

LEDUR ADJUSTABLE

120V Adjustable Under Cabinet
Selectable CCT & USB Ports

120V Adjustable LED under cabinet luminaires include two switches to change the color temperature and On/Off switch. Each fixture includes five color temperature options and are linkable up to 150W. Rotatable lens can be adjusted $\pm 35^\circ$ in either direction to aim the light in desired location. Linkable fixtures can be fed through input quick connects or hardwired through the back. Delivering over 600 lumens per foot with edge-lit LEDs to eliminate the diode image and provide uniform reflectance of light without hot spots.

FEATURES

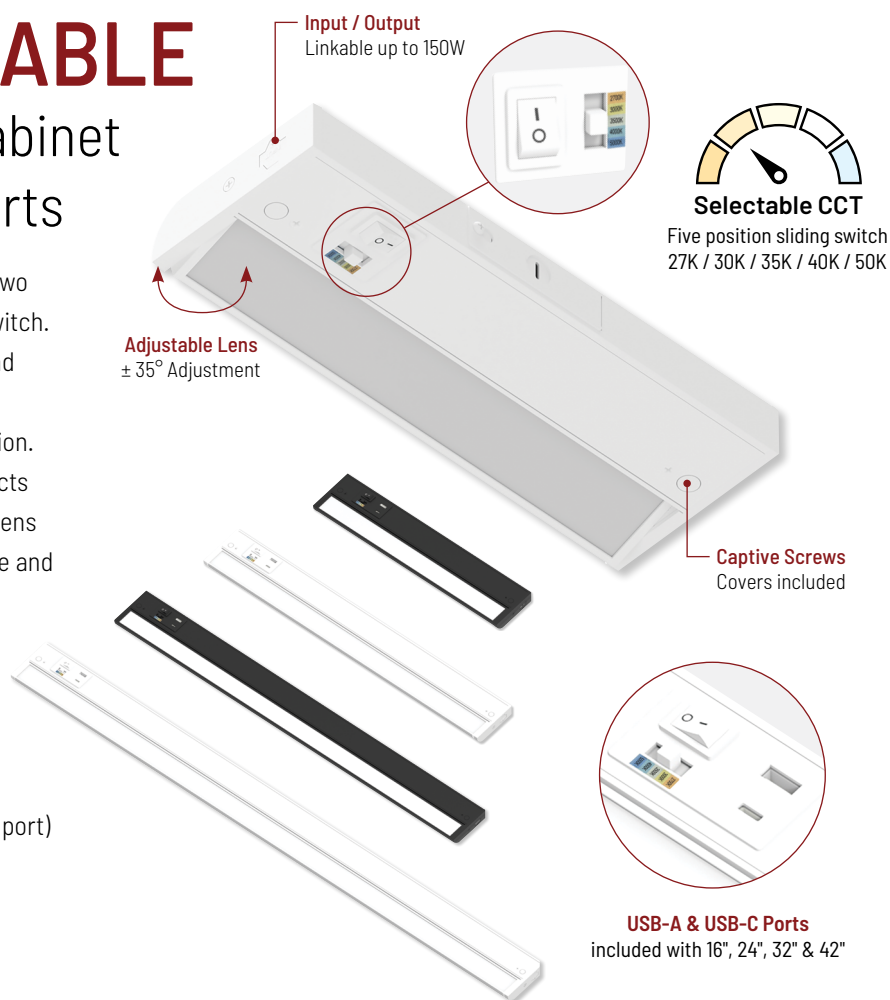

- $\pm 35^\circ$ Rotatable lens to aim the direction of light
